Get your business online!

Global Directories introduces affordable, attractive, and effective websites for your Caribbean business. Whether it's creating a professional designed website from one of our hundreds of attractive templates or building a new custom-designed website from scratch, our team of web designers will provide you with the right solution to fit your business needs and budget.

We are focused on building a website that will build trust and credibility in your online business while bridging the gap from online visits into offline customers. Our team of experts will get your business found and chosen by potential customers that are looking for your products and services.

Benefits:

- Builds credibility with potential customers
- Free Technical Phone Support
- Free Logo design
- Up to 10 Email accounts
- Free Domain Name
- Free Updates and changes
- Search Engine Optimization
- We will write the content for you!
- We do all the work so you don't have to!

Packages

Professional Template-Designed Website

Includes a 5-6 page basic website with primary navigation to include these pages: Home, About Us, Products and/or Services, Map & Directions, Contact Us and a Thank You page (to appear after inquiry is submitted).

For this option we will select one of our many website templates. We will then associate your company's colors and logo to this website.

- Professionally-Managed Template Website
- Call To Action and Logo Design
- Keyword Inclusion For All Web pages
- SEO Friendly URL Structure
- Site Builder – Edits & Updates
- Initial Content Creation
- XML Site Map
- Branded Email Accounts – 5 Max
- Unlimited Tech Support
- Hosting & Domain Registration
- Web Storage & File Uploads – 100 MB
- Tracking and Reporting
- Website Ownership After 12 Month Term

Starting At \$75.00 / mo – 12 Month Term
\$39.95 / mo hosting, content updates, tech support

Unique Custom Designed Website

Includes a 5-12 page custom website with primary navigation as indicated above and additional pages to be developed based on your input. This option is for a fully customized, one of a kind website. We will create a logo for you which will include your color scheme and company name. Our professional design and marketing staff will work with you to completely customize the colors, photos, logos, and other artwork on your website.

- Search Engine Friendly Custom Designed Website
- High Resolution Photos and Graphics
- Custom Logo Design and Call To Action
- SEO Copywriting and Content Creation
- Unlimited Changes and Updates
- Keyword Research & Analysis
- SEO-friendly Site Architecture
- XML Site Map
- Local Search Engine Submissions
- Internal Linking Throughout Website
- Built-In Blog
- Unlimited Branded Email Accounts
- Unlimited Tech Support
- Hosting & Domain Registration
- Online Contact Form Management
- User Friendly E-Commerce Integration
- Tracking and Reporting
- Website Ownership After 12 Month Term

Starting at \$150 / mo – 12 Month Term

\$39.95 / mo hosting, content updates, tech support

The Order Process

Once the order is processed, one of our Website Experts will call you for a detailed interview that will help us learn the key aspects of your business. We will then use those aspects to begin creating your new website. It's that simple!
